Overview

- 節能高達50% — 優化 PIE 中的連接
Energy savings up to 50% – Optimizing connections in PIE
- 減少了連接足跡，從而節省空間 — 憑藉更高的觸點密度和更小的接口
Reduced connectivity footprint to save space—with higher contact density and smaller interfaces
- 更高的靈活性 — 憑藉帶有各種現成插件的模組化系統
Greater flexibility – thanks to a modular system with a variety of ready-made plug-ins
- 節省時間 — 一個供應商為整個電力鏈提供完整的電纜解決方案
Save time – one supplier provides complete cabling solutions for the entire power chain
