

|                        |      |                    |          |          |
|------------------------|------|--------------------|----------|----------|
| 型號 Model               |      | LAB-10             | LAB-20   | LAB-30   |
| 電壓 Rated Voltage       |      | AC 110 V or 220 V  |          |          |
| 最大真空度 Max. Vacuum      |      | 620 mmHg           | 720 mmHg | 660 mmHg |
| 最大流量 Open Flow         | 60Hz | 20 LPM             | 35 LPM   | 50 LPM   |
|                        | 50Hz | 16 LPM             | 30 LPM   | 40 LPM   |
| 消耗功率 Power Consumption |      | 85 W               | 100 W    | 180 W    |
| 外型尺寸 Dimension         |      | 370 x 170 x 256 mm |          |          |
| 適用內徑軟管 Hose Suggestion |      | Φ8 mm              |          |          |
| 重量 Weight              |      | 5.5 kg             | 6.8 kg   | 8.5 kg   |
